

# TURN HEALTH CARE SETTINGS INTO POSITIVE PRACTICE ENVIRONMENTS BY...

**...assessing the quality  
of your practice environments;**  
identify any deficiencies and develop  
strategies to address priority gaps.

## TAKE A LOOK AT YOUR HEALTH CARE WORK ENVIRONMENT

to understand its strengths and  
weaknesses, organizational climate  
and working conditions.

## MAKE THE CASE FOR HEALTHY, SUPPORTIVE WORK ENVIRONMENTS

by promoting their positive impact  
on staff recruitment/retention, patient  
outcomes and health sector performance.

## ESTABLISH AND APPLY THE PRINCIPLES OF POSITIVE PRACTICE ENVIRONMENTS

across your health facility  
by introducing supportive policies.

## CELEBRATE SUCCESS

and share best practices to help  
others improve the way they work –  
present it, publish it and talk about it.

**STAND UP FOR  
POSITIVE PRACTICE  
ENVIRONMENTS**

**IMPROVED WORKING CONDITIONS  
AND ENVIRONMENTS BENEFIT EVERYONE.**
